

## Pupil Premium Funding

2018-19

## Context

Greenland Community Primary is an average sized primary school which is located in Stanley in County Durham. The school moved into a purpose built new build in Sept 2013. As of 1st January 2017 Greenland became part of a Multi-Academy Trust (Stanley Learning Partnership).

The school draws its intake, in the main, from the wards of South Moor and Craghead and South Stanley. These wards have very high levels of social and economic disadvantage. School Deprivation Index (SDI) 0.35 compared to the national rate of 0.21.

There is a greater than average eligibility for Pupil Premium 57% (National rate is 25.2%) tellingly, the percentage for FSM is increasing which represents the changing population of both the local community and school. Percentage of pupils with SEND is currently at 12%.

Since school faces a range of challenges, resulting from degeneration of the local area, it aims to:

- Provide broad and balanced learning experiences which enable pupils to develop socially, emotionally, spiritually and academically.
- Promote a strong ethos of inclusion and aims to ensure that all pupils achieve their full potential.
- Work effectively with external agencies to support pupils with a wide range of complex additional needs.
- Build strong partnerships with organisations within the local community including the local church and chapel, the library, plant nursery and local forest school.
- Involve parents and carers in all aspects of school life so they can support their children's learning.

The amount of Pupil Premium received for this academic year is £221,860

Barriers to	future attainment (for pupils eligible for PP)
In-school b	parriers (issues to be addressed in school, such as poor oral language skills)
Α	For some pupils eligible for pupil premium, their emotional readiness for learning is a barrier to their progress. This is often due to personal and social trauma/poor home environment. These children have support from TAF and/or social care/pastoral support.
В	75% of pupil premium are also on the SEN register
External b	arriers (issues which also require action outside school such as low attendance rates)
С	High levels of deprivation results in pupils having limited opportunities to access experiences that enhance their vocabulary for reading and writing. Improved emotional well-being and academic achievement for those experiencing social and emotional barriers to learning allowing them full access to curriculum and improved achievement.
D	Attendance – 4% of the children are eligible for pupil premium are PA. Attendance Officer and EWO involvement to reduce this figure if further absence occurs.

Desired O	utcomes	
	Desired outcomes and how they will be measured	Success Criteria
A	Improved emotional wellbeing and academic achievement for pupils experiencing social and emotional barriers to learning allowing them full access to curriculum.	Disadvantaged pupils with social and emotional barriers to learning will make rapid progress and a greater % will achieve AGE
В	Diminish the in school gap between pupils who are eligible for PP and have SEN in reading, writing and numeracy.	Gap will reduce across the year and these pupils will become more broadly in line with all pupils
С	Higher proportion of pupils in EYFS reach GLD	Pupils are more able to access learning and make progress in line with National and non-PP pupils.
С	Reduce difference between PP and non-PP particularly in writing and reading in KS1 and KS2	Pupils eligible for PP make as much progress as 'other' pupils across Y1  – Y6 in reading and writing. This will be measured by teacher assessments and moderations.  Increased number of PP children working within age related expectations.
D	Continue to improve attendance for PP and reduce PA	Identified PP pupils have a similar attendance rate as all other children.
